Project Information

The Vermont Agency of Transportation will be conducting resurfacing along U.S Route 2 from Marshfield to Danville. The project begins near the Plainfield/Marshfield town line, on U.S. Route 2, near Hillside Drive, and extends easterly along VT Route 2 to a point just west of the VT Route 15 and U.S. Route 2 intersection in West Danville. The project includes pavement reclamation work, resurfacing and geometric improvements to the intersection of U.S. Route 2 and Cabot Road in Marshfield. As part of the project, the West Danville park and ride will receive additional parking spaces. Construction will be conducted during the 2023, 2024, and 2025 construction seasons.

Project limits along U.S. Route 2 between Plainfield and Danville. The project will run through Marshfield, Cabot, West Danville.
